- ergonomic handle
- over 50% recycled post-consumer content by weight
- quality components for a lifetime of work
- abs plastic stands up to daily use
- re-inking is clean and easy
- laser engraved rubber for precise impressions

# custom stamps • custom stamps • custom stamps

Customizable pre-inked stamps are convenient for all office and personal uses. Personalize with a message, signature, logo and/or artwork. Stamp is pre-inked for an initial 50,000 impressions and is re-inkable. Ergonomic ABS plastic handle is designed for durability. Stamp material is laser engraved to provide a perfect impression every time. Available in red, black, blue, green, purple, orange, light blue, light green, pink, yellow or brown ink. Manufacturer's lifetime guarantee. Our ECO-GREEN mounts are made from at least 50% post-consumer content.

N90-113

The N90 die plate date stamp has a replacement base available. Please specify date color and message color when ordering. If none is specified, blue/red will be used.  
Item # 66400  
**\$10.30**

The XpeDater® prints your custom message along with the day, month and year over a 6-year period. A simple twist of the base and a turn of the dials changes the date, eliminating the need for tweezers! The year band also prints: A.M., P.M., REC'D, PAID and FAX'D. All XpeDaters come with an inked base for a permanent home on a desk or counter top. The N75 and N85 models also come with a handy ink cap to make them portable. Available in red, black, blue, green, purple, orange, light blue, light green, pink, yellow or brown ink.

To re-ink XstamperVX® message stamps, remove the handle and place 2-4 drops of the same color Xstamper® ink in the openings as shown. Allow ink to absorb overnight for best results.

To re-ink The XstamperVX® date stamps remove the Base and place 2-4 drops of the same color Xstamper® ink in the cap pad, and 2-4 drops of the same color Xstamper ink in the hole as shown. Allow ink to absorb overnight for best results.

# industrial stamps • industrial stamps

Xstamper® industrial stamps allow you to make your mark almost anywhere. Our proprietary ink formulation is fast drying, permanent and water resistant when fully cured. Uniquely designed caps are engineered to keep ink from drying out, extending the functional life of the stamp. These stamps are ideal for marking any slick or hard to mark surface such as metal, glass, plastic, leather, glossy paper, etc.

Xstamper® industrial inks are formulated to perform under the harshest conditions encountered in today's varied manufacturing world. For more information on all the places you can use our specially formulated industrial inks, please see your Xstamper sales rep. Due to the sensitive nature of alcohol-based inks in today's harsh industrial settings, Industrial Stamps are not covered by warranty. Please allow re-inked stamps to sit overnight for maximum saturation before use.

add about 10 drops of ink

add about 5 drops of ink

add about 25 drops of ink

# re-inking instructions • re-inking instructions

We strongly recommend using only Xstamper® Refill Ink to re-ink your Xstamper pre-inked rubber stamp. It has been specifically formulated to flow cleanly through the micropores of the Xstamper's laser-engraved rubber. Using ink other than Xstamper Refill Ink can clog these micropores and void the Xstamper warranty. Please follow the directions below for your respective Xstamper mount. After re-inking, please allow stamp to sit up to 24 hours to reach maximum saturation.

Remove the handle and place 2-4 drops of ink in the openings on either side of the spring as shown.

Slide the impression cartridge out of the handle. Place 2-3 drops of the same color ink in each of the 4 openings as shown.

Remove the handle and place 2-4 drops of the same color ink in the opening in the center of the mount.

Slide the impression cartridge out of the handle. Place 2-3 drops of the same color ink in the opening as shown.

Remove the white cap on top and place 2-4 drops of the same color ink in the opening in the center of the mount.

Slide the impression cartridge out of the handle. Place 2-3 drops of the same color ink in each of the openings as shown.

Firmly hold the teal handle and the white Impression Frame™ and pull apart. Use a same color ink cartridge to put 2-3 drops of ink into the inking hole. Put 2-3 drops into each opening on the frame as well.

Put a few drops of the same color ink in the XpeDater base and a few in the travel cap as needed.

Put a few drops of the corresponding color ink into the stamp base.

Please photocopy order form for your convenience.

No substitutions.

Guidelines for Submitting Artwork

- For logos and artwork, attach original black and white camera-ready art. Photocopies, business cards or faxes of artwork are not acceptable.
Provide clean black and white sketch for Seals and Round Stamps (i.e. N53) for copy placement.
Signatures must be written actual size to fit stamp, in black ink, on a separate white unlined sheet and attached. Please ensure that your signature is written clear and bold. Faxes not recommended.
Custom orders are not subject to change or cancellation.
Letter size will be reduced if necessary to fit.
If ink color is not designated, stamp will be produced with black ink, date stamps will be produced with blue (text) and red (date) ink.
For orders with no specific style # selected (style number 000) and no special instructions, we will use our discretion to make the best finished product.

E-Mail Artwork Guidelines

- All digital art must be in 300-600 dpi TIFF format only, no JPEGs or EPS files.
Black and white bitmap TIFFs only, no grayscale or color artwork is acceptable. Include the item and P.O. or Control # in the e-mail to match up with original order.
